EAP: The California State University (CSU) participates in the Early Assessment Program (EAP), an academic preparation program to help high school students meet college-readiness standards in English language arts and mathematics before admission to a CSU campus. This test is given to 11th grade students in the spring of their junior year as part of the Smarter Balanced Assessments.

ATTENDANCE REGULATIONS AND REQUIREMENTS

ATTENDANCE POLICY

The state laws of California require the school attendance of every person under the age of eighteen. In addition, the administration of Riverdale High School believes it is essential for students to attend school on a regular basis to be successful in their educational experience. When a student must be absent from school, only the following reasons will be acceptable to classify as "excused."

1. Illness
2. Doctor or dentist appointment
3. Death in the immediate family
4. Observance of a religious holiday
5. Quarantine
6. Visit with an immediate family member who is an active duty service member on leave, on deployment or returned from deployment.
7. Absences or tardiness due to unsafe weather or fog conditions (when a parent/guardian is unable to transport their student safely) are excused upon parent/guardian notification to the school.

An absence is classified as "unexcused" when a student is absent for any part of the school day for reasons other than those listed above. School work missed due to an unexcused absence may not be made up. An exception will be made in regard to the school work if the parent notifies the school prior to the absence.

Students who are repeatedly truant may be considered for referral to an alternate educational placement.

The parent or guardian of a student who is absent should phone the school at (559) 867-3562 between 7:30 a.m. and 12:00 noon and give the following information:

1. Parent or guardian's name
2. Student's name
3. Reason for absence
4. Estimated date of return
5. Whether assignments are needed

If the parent or guardian has not notified the school concerning the absence, the student must bring a note from the parent explaining the reason for the absence and obtain an admit slip from the main office upon return. A parent must verify a student's absence within two days, otherwise the absence will be classified as **unexcused** until it is cleared in the main office. The main office will open at 7:30 a.m..

SATURDAY SCHOOL

Saturday School is mandated for each absence exceeding ten in a course and/or three or more truancy absences in a course. Saturday school may also be used as an alternative consequence for disciplinary actions.

TARDY/CUTS PROCEDURES

If a student is not in class when the bell rings, the student is tardy.

There is a 4-minute pass time between classes. At four (4) minutes, a tardy bell will sound to designate the start of class.

Five (5) or more minutes late to class after the bell rings is considered a **cut**. A class cut will result in a loss of 5 citizenship points and the assignment of a lunch detention.

Upon receiving a total of 4 tardies in any combination of classes, a student will receive a warning notice through a discipline mailing. Upon receiving 8 tardies, 5 citizenship points will be deducted and a lunch detention will be assigned. With each additional series of 4 tardies (12, 16, 20, etc.), a student will be deducted 5 citizenship points and will be assigned 1 day of After School Detention (3:20-6:15). Habitual tardiness may be cause for a parent meeting, the placement of a student on a reassessment contract, or consideration for placement at an alternative school site.

TARDY SWEEPS

1. Tardy Sweeps will be conducted at random by school administration.
2. Students caught in a Tardy Sweep will be sent to class once they have obtained a **pass** from an administrator and will be assigned a mandatory lunch detention on that day or the following day.

ADMITTANCE OF STUDENTS TO CLASS

1. Students who reach school after 8:10 a.m. must report to the main office for a **late slip**.
2. Students who are late to class because they were held over by another teacher or summoned to the office must have a hall pass.

STUDENTS WHO DO NOT HAVE THE APPROPRIATE PASS/SLIP WILL NOT BE ADMITTED TO CLASS

RIVERDALE HIGH SCHOOL ATTENDANCE REQUIREMENTS

10 Absences (Per Semester for Each Course for Course Credit)	Saturday school will be mandated for each absence exceeding <u>10 in a course per semester</u>. Attending one Saturday school will replace one absence in each class. Students who complete the semester with more than 10 absences in a class will lose credits for that class. (BP 5121 - Students exceeding 10 absences in a course are subject to losing credit for that course even if a passing grade is earned).
Absences are Notes From Parents/Guardians	- cutting class, suspensions, staying home because you do not feel well, doctors and dentists appointments, or just not coming to school. If the student misses school for ANY reason, that absence (excused or not) will be counted against the student. This DOES INCLUDE staying home with a headache, etc. even though your parent sends a note or calls the school stating you were ill. It DOES NOT INCLUDE school sponsored trips. - regarding students who are ill: students need a note stating the reason they are absent, and it must be signed by their parent/guardian.
Special Circumstances For Petition Include	a hospital stay, etc. or other special circumstances must be submitted to the principal for review. The parent or guardian must submit the proper paperwork to the principal in order to receive approval. Petitions will be accepted only for death in the immediate family, observance of a religious holiday, hospitalization and quarantine. A note from the doctor will be required for quarantine. Please see the school secretary/attendance clerk for the required paperwork to clear an absence. Within two weeks of an absence, due to special circumstances, a petition accompanied with proper documentation must be submitted to the Principal for review. Absences that are reviewed and approved through the petition process will not be counted towards the accumulated 10 absence policy to maintain credit with in a course. Please see the school secretary/attendance clerk for the required paperwork to clear the absence.

Students will also be referred to Saturday School.
Students	will need to keep an accurate record of their attendance but may request a copy of their attendance record from the school secretary/attendance clerk

At the beginning of each school year, the Superintendent or designee shall send a notification to the parents/guardians of all students, and to all students in grades 7-12 informing them that school authorities may excuse any student from school to obtain confidential medical services without the consent of the student's parent/guardian (Education Code 46010.1) Please see page 33 for a copy of the Riverdale Joint Unified School District's Truancy or Excessive Absences Guidelines" and School Attendance Review Board (SARB) Process. STANDARDS OF CONDUCT FOR SCHOOL BUS TRANSPORTATION

To ensure this level of safety, each student must behave in a satisfactory manner, allowing the driver to direct their undivided attention to driving.

BUS RULES

1. Cooperate with the driver. Follow directions the first time they are given.
2. Arrive at the bus stop not more than 5 minutes before the scheduled bus arrival. While going to and from the bus stop and while waiting for the bus, keep out of the street and off private property. Noise, rowdy behavior and property damage at the bus stop could cause the stop to be moved to a possibly more inconvenient location.
3. Board and leave the bus in an orderly manner. Do not push other students. Follow the driver's instructions concerning seating location and unloading procedure.
4. Be seated promptly. Be willing to share seat with fellow bus riders.

5. Always sit facing the front of the bus. Remain seated when the bus is in motion. Do not change seats without the permission of the driver. Do not "save" seats.
6. Keep hands off other people and their possessions.
7. Keep head, hands, and arms inside the bus at all times. Do not yell out of windows to others outside the bus.
8. Animals, insects, and reptiles are not permitted on the bus. Guide dogs and signal dogs are excepted. (54.2 Civil Code)

15. Do not deface or destroy bus equipment. Damage to seats, windows, and other parts of the bus is unnecessary and costly. Any damage will be paid for by the student responsible.
16. Avoid loud talking, loud laughter or unnecessary confusion. (It may divert the driver's attention and could result in an accident.)
17. Students living across the street upon which the bus is stopped to unload them should cross only when the driver indicates that it is safe to do so. Students must cross in front of the bus and walk straight across the street. Elementary and junior high students will be escorted across the street by the driver.
